

**JOE DI BRUTTO** is an Italian band from Bologna. Hitting the stages since 1989 we played more than 3000 gigs all over Europe, we also recorded 6 albums, studio and live.

Energy, experience and ability to innovate are the best qualities of the band.

We play some of the greatest hits of the 70's golden era, dressed in original vintage clothes.

“DISCOMUSICAL”, the title of our last project, it's not just a concert, it's a real show, with coreographies and entertainment.

We play our show in clubs, open air concerts, private parties, always trying to enjoy the audience and let the people have a good time! A different kind of show, and we're sure you will enjoy it too.
