

Technical Rider
JOE DIBRUTTO
Private party

F.O.H SYSTEM

High quality full range system professionally set up and adjusted to the acoustics of the venue.
System flown or floor mounted as appropriate to the venue, with delayed speaker groups if necessary to deliver high quality audio to all parts of the auditorium.

Joe dibrutto have their own audio tech.

SPEAKERS:

L-Acoustics, Nexo, Meyer, D&B, Martin or equivalent high quality system.

MIXER & STAGE

Joe dibrutto will carry with them all supplies necessary for the stage setup (Mixer, in ear monitor, microphones, cables, stands)
Mixer's band (Yamaha QL1) will be placed next to the stage and it will be remotely controlled by an Ipad

The band needs just two wedge monitor placed either as front monitor or as sidefills

The band also needs a 5x4 mt. minimum stage. Height minimum 60 cm.

LIGHTS

The band needs a suitable lighting set-up for a typical disco music concert. White light on the front truss to have a proper illumination of the stage and moving lights all around.
A spinning mirror ball with lights pointing at it would be highly recommended

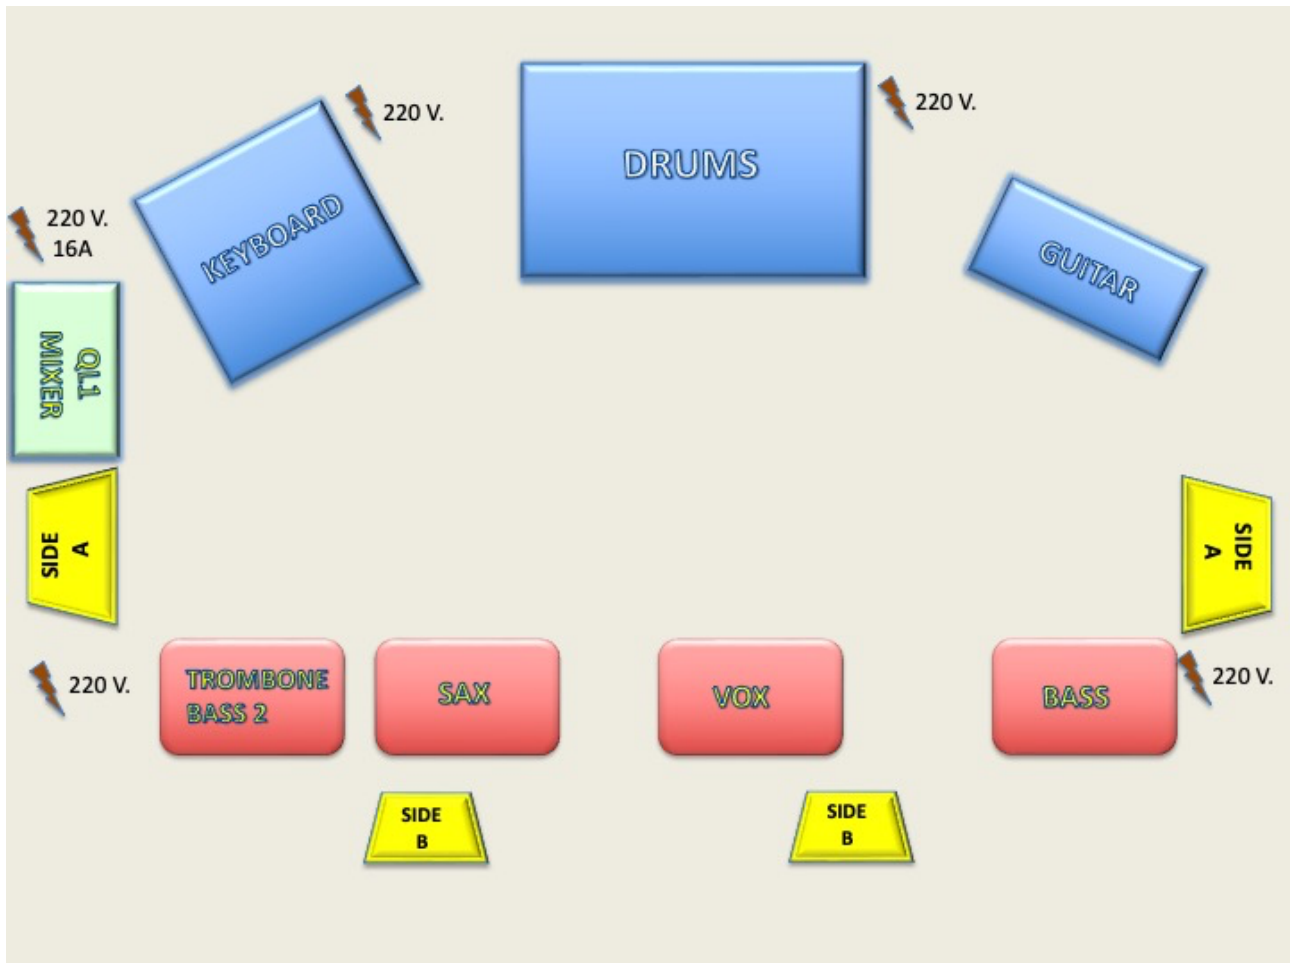

Joe dibrutto doesn't carry any lighting equipment nor a light board operator

DRESSING ROOM

The band needs a dressing room for 7 persons near the stage.
